BRIZO™

The Articulating Kitchen Faucet

Representing the next level of culinary innovation by Brizo, the faucet was inspired in part by a series of interviews conducted with high-profile chefs, including Jamie Bissonnette, Paul Qui and George Mendes. The chefs all made one thing clear: their home kitchens were lacking the efficient functionality of the commercial spaces they work in.

Cinder

Blanco presents Cinder a striking shade of dark grey with a natural stone-like appeal and delicate hints of brown that give it an inviting warmth. This timeless modern color is positioned somewhere between anthracite and metallic grey. This shade is reminiscent of dark natural stones such as slate. With 8 captivating colors and 23 shapes in the SILGRANIT II collection, inspiration comes easy.
